- 25X1 1. Under the pretext of avoiding loss of time in the accomplishment of agricultural tasks, peasants have been forbidden to leave their villages. As a result there has been a shortage of vegetables in the Bucharest markets for the past two weeks.
2. The shortage of vegetables is even greater in provincial towns since the Rumanian Government makes a greater effort to feed the population of the capital.
3. Since 24 June artificial ice has been unobtainable in Bucharest.
